JOINT BASE PEARL HARBOR-HICKAM, Hawaii – Pacific Partnership 2025 (PP-25) officially kicks off with the arrival of the Harpers Ferry-class dock landing ship USS Pearl Harbor (LSD 52) at Joint Base Pearl Harbor-Hickam, led by Rear Admiral Todd F. Cimicata,

U.S. Pacific Fleet Executive Agent for Pacific Partnership, and the mission commander, U.S. Navy Captain Mark B. Stefanik.

The PP-25 team, embarked aboard the Harpers Ferry-class dock landing ship USS Pearl Harbor (LSD 52), arrived at Joint Base Pearl Harbor-Hickam to make final preparations ahead of its upcoming port visits throughout the Indo-Pacific region. The PP-25 team will conduct medical exchanges, engineering projects, community outreach, and disaster preparedness engagements with host nation partners.

“Pacific Partnership is a testament to what we can achieve together,” said Cimicata. “By working alongside our allies and partners, we strengthen regional capacity and resilience and lay the foundation for a collective response to crises. It’s about preparing in calm to respond in crisis.”

This year’s PP-25 mission will include mission stops in Papua New Guinea, Federated States of Micronesia, Palau, Samoa, and Vanuatu. Prior to the USS Pearl Harbor’s departure, separate fly-in missions were conducted in the Philippines, Fiji, and Tonga in June.

“This enduring mission provides us the opportunity to build on our relationships, share expertise, and learn from one another,” said Stefanik. “Our shared experiences help create more resilient communities, and I’m proud to lead a team committed to strengthening partnerships across the Indo-Pacific.”

Pacific Partnership brings together more than 1,500 personnel from the United States and participating nations including Australia, Canada, Germany, Japan, New Zealand, Republic of Korea, Singapore, and the United Kingdom. Activities will include engineering projects at schools and clinics, medical subject matter expert exchanges, and performances by the Pacific Partnership Band, composed of musicians from the U.S. Pacific Fleet and partner nations.

The mission team will work alongside allies and partners to strengthen relationships, bolster host nation capacity to provide essential humanitarian services, and support efforts to reduce the

risk of, prepare for, and respond to disasters.

Every day, the U.S. Pacific Fleet operates to protect the security, freedom, and prosperity for the U.S. and our allies and partners. The U.S. Pacific Fleet continues to advance a shared vision, alongside our allies and partners, of a free, open, and secure Indo-Pacific.

Now in its 21st iteration, the Pacific Partnership series is the largest annual multinational humanitarian assistance and disaster management preparedness mission conducted in the Indo-Pacific. Pacific Partnership works collaboratively with host and partner nations to enhance regional interoperability and disaster response capabilities, increase security and stability in the region, and foster new and enduring friendships in the Indo-Pacific.
