

April 28 Red Sea Update

From U.S. Central Command, April 28, 2024

TAMPA, Fla. – Between 1:48 and 2:27 a.m. (Sanaa time), April 28, U.S. Central Command (USCENTCOM) successfully engaged five airborne unmanned aerial vehicles (UAV) over the Red Sea.

It was determined the UAVs presented an imminent threat to U.S., coalition, and merchant vessels in the region. These actions are taken to protect freedom of navigation and make international waters safer and more secure for U.S., coalition, and merchant vessels.
