SAN DIEGO – Jan. 28, 2025, the Coast Guard conducted Alien Expulsion Flight Operations between California and Texas, in coordination with U.S. Customs and Border Protection.

In accordance with the President's Executive Orders, these flights continue the Coast Guard's actions to enforce the immigration laws of our country. Through these ongoing operations, and in close cooperation with our Department of Homeland Security and Department of Defense teammates, the Coast Guard is detecting, deterring, and interdicting aliens,

drug smugglers, and individuals intent on terrorism or other hostile activity before they reach our border.

Led by the Eleventh Coast Guard District in California, the Coast Guard is coordinating the actions of multiple units in support of this operation. The Coast Guard is surging assets and personnel from around the nation – including Air Stations Elizabeth City, Kodiak, Sacramento, San Diego, and Hawaii – to support this Department of Homeland Security-led operation.

The Coast Guard's current role is to assist with the national transport of aliens to designated locations in Texas and California, where the Department of Defense will transport the aliens internationally.
