

June 26 U.S. Central Command Update

From U.S. Central Command

TAMPA, Fla. – In the past 24 hours, U.S. Central Command forces successfully destroyed one Houthi radar site in a Houthi controlled area of Yemen.

It was determined the radar site presented an imminent threat to U.S., coalition forces, and merchant vessels in the region. This action was taken to protect freedom of navigation and make international water safer and more secure for U.S., coalition, and merchant vessels.
