

June 4 Red Sea Update

From U.S. Central Command, June 4, 2024

TAMPA, Fla. – In the past 24 hours, Iranian-backed Houthis launched two anti-ship ballistic missiles (ASBM) from Houthi-controlled areas of Yemen into the Red Sea. There were no injuries or damage reported by U.S., coalition, or commercial ships.

This continued malign and reckless behavior by the Iranian backed Houthis threatens regional stability and endangers the lives of mariners across the Red Sea and Gulf of Aden.
