

KMS Solutions Awarded Navy Cyber Security Services Contract

ARLINGTON, Va. – KMS Solutions. LLC was awarded a cyber security services contract by the U.S. Navy to support the Naval Undersea Warfare Command Code 25 projects including: assessment and authorization; research, development, test and evaluation; environment maintenance; systems security engineering; posture transition support; in-service engineer agent support; and meeting support.

These services are for the development, evaluation, modernization and sustainment of the U.S. Navy tactical and tactical support systems, the company said in an Oct. 29 release. KMS Solutions is a wholly owned subsidiary of Subsystem Technologies.

“KMS Solutions is pleased to provide Code 25 with these services and will bring a wide range of domain knowledge, mission experience, best practices, and next-generation capabilities to the Navy,” said Michael Martino, KMS Solutions vice president. “Through this contract, we will provide Code 25 with proven, successful cybersecurity services.”

Subsystem Technologies CEO Sam Malhotra said, “We are proud to support Code 25 cybersecurity program and look forward to working closely with our government partners to ensure mission success.”
