ARLINGTON, Va. – The government of Nigeria is slated to receive 12 AH-1Z Viper helicopter gunships, becoming the third foreign customer for the Viper.

In a March 12 contract announcement, the Naval Air Systems Command awarded to Bell Textron of Fort Worth, Texas, a \$455 million “firm-fixed-price, undefinitized contract for the production and delivery of 12 AH-1Z helicopters for the government of Nigeria, as well as provides associated engineering, program management and logistics support, and non-recurring engineering for obsolescence.”

Deliveries to the Nigerian government are expected to be complete by July 2028.

Bell built 189 AH-1Zs for the U.S. Marine Corps and 12 for Bahrain, and is building four for the Czech Republic, along with eight UH-1Y Venom utility helicopters. The Czech Republic also is receiving free of charge six AH-1Zs and two UH-1Ys that formerly were part of the U.S. Marine Corps’ inventory.
