

# Sept. 30 U.S. Central Command Update

From U.S. Central Command

Sept. 30, 2024

TAMPA, Fla. - In the past 24 hours, U.S. Central Command (USCENTCOM) forces successfully destroyed six Iranian-backed Houthi uncrewed aerial vehicles (UAVs) in a Houthi-controlled area of Yemen.

It was determined these UAVs presented an imminent threat to U.S. and coalition forces, and merchant vessels in the region. This action was taken to protect freedom of navigation and make international waters safer and more secure for U.S., coalition, and merchant vessels.
