

U.S. Pacific Fleet Announces 29th RIMPAC Exercise

From Commander, U.S. 3rd Fleet Public Affairs

SAN DIEGO – Approximately 29 nations, 40 surface ships, 3 submarines, 14 national land forces, over 150 aircraft and more than 25,000 personnel will participate in the biennial Rim of the Pacific (RIMPAC) exercise scheduled June 26 to Aug. 2, in and around the Hawaiian Islands.

RIMPAC 2024 is the 29th exercise in the series that began in 1971. As the world's largest international maritime exercise, RIMPAC combines force capabilities in a dynamic maritime environment to demonstrate enduring interoperability across the full spectrum of military operations.

The theme of RIMPAC 2024 is "Partners: Integrated and Prepared." To promote a free and open Indo-Pacific, Exercise RIMPAC is the premier joint and combined maritime exercise, utilizing and preserving a world class maritime training environment. With inclusivity at its core, RIMPAC fosters multi-national cooperation and trust, leverages interoperability, and achieves respective national objectives to strengthen integrated, prepared, coalition partners.

This year's exercise includes forces from Australia, Belgium, Brazil, Brunei, Canada, Chile, Colombia, Denmark, Ecuador, France, Germany, India, Indonesia, Israel, Italy, Japan, Malaysia, Mexico, Netherlands, New Zealand, Peru, the Republic of Korea, the Republic of the Philippines, Singapore, Sri Lanka, Thailand, Tonga, the United Kingdom and the United States.

Hosted by Commander, U.S. Pacific Fleet, RIMPAC 2024 will be

led by Commander, U.S. 3rd Fleet, who will serve as the Combined Task Force (CTF) commander. For the first time in RIMPAC history, a member of the Chilean Navy, Commodore Alberto Guerrero, will serve as deputy commander of the CTF. Rear Adm. Kazushi Yokota of the Japan Maritime Self-Defense Force will serve as vice commander. Other key leaders of the multinational force will include Commodore Kristjan Monaghan of Canada, who will command the maritime component, and Air Commodore Louise Desjardins of Australia, who will command the air component.

During RIMPAC, integrated and prepared partners train and operate together in order to strengthen our collective forces and promote a free and open Indo-Pacific. RIMPAC 2024 contributes to the increased interoperability, resiliency and agility needed by the Joint and Combined Force to deter and defeat aggression by major powers across all domains and levels of conflict.
