KEY WEST, Fla.— The crew of the USCGC Mohawk (WMEC 913) returned to their home port in Key West, Monday, after a 46-day deployment in the Florida Straits and Caribbean Sea.

Mohawk patrolled the Florida Straits and Caribbean Sea in support of Homeland Security Task Force–Southeast and Operation Vigilant Sentry in the Coast Guard Seventh District’s area of operations. While underway, Mohawk’s crew conducted counter drug and maritime safety and security missions while working with other Coast Guard cutters and air assets to detect, deter and intercept unsafe and illegal migrant ventures bound for the United States.

During the patrol, Mohawk’s crew cared for 670 migrants interdicted at sea and rescued personnel from seven different unseaworthy vessels. Notably, Mohawk’s crew assisted with the repatriation of 110 Haitian migrants to Cap-Haitien, Haiti, and 273 Cuban migrants to Matanzas, Cuba.

Mohawk’s patrol efforts highlight the Coast Guard’s critical mission of maintaining safety at sea and preventing the potential for loss of life by deterring migrants from taking to the sea in dangerously overcrowded vessels while attempting to enter the United States through non-legal channels.

“It’s never easy being deployed over the holidays, away from

family members,” said Cmdr. Andrew Pate, Mohawk’s commanding officer. “I am incredibly proud of the women and men aboard who continue to position Mohawk for success – their role in this historic effort, alongside our state and local partners as well as other Coast Guard units, is nothing short of heroic.”

Mohawk is a 270-foot, Famous-class medium endurance cutter with a crew of 100. The cutter’s primary missions are counter drug operations, migrant interdiction, enforcement of federal fishery laws and search and rescue in support of U.S. Coast Guard operations throughout the Western Hemisphere.
